If your property does not reside in its own city then the transfer tax will be based on the sales price multiplied by the County of Los Angeles tax.

Example: Sales price of home \$200,000 divided by 1,000 = 200 x \$1.10 = \$220 County of Los Angeles transfer tax

Home Located in City of Los Angeles AND county of Los Angeles:

Example: Sales price of \$200,000 divided by 1,000 = 200 x \$4.50 per \$1,000 = \$900 (city tax)

200 x \$1.10 = \$220 (county tax)

Total transfer tax= \$1,120 payable at the close of escrow

Please contact your title officer for exact numbers as many cities have different or no transfer taxes..
